**Experience the Future
of Legal Invoice Review**

Seamlessly Integrates With Your Existing Ecosystem

Quark connects effortlessly with Enterprise Legal Management (ELM), ERP, claims management, and billing platforms to automate legal invoice review without disrupting existing workflows.

Why Organizations Choose Quark

Reduce Review Effort

Automate up to 90% of invoice review activities.

Accelerate Approvals

Move invoices through review and approval workflows faster.

Improve Billing Accuracy

Detect coding errors, duplicate charges, and guideline violations before payment.

Strengthen Compliance

Apply billing guidelines consistently across all law firms and matters.

Scale Without Additional Resources

Handle growing invoice volumes without increasing review teams.

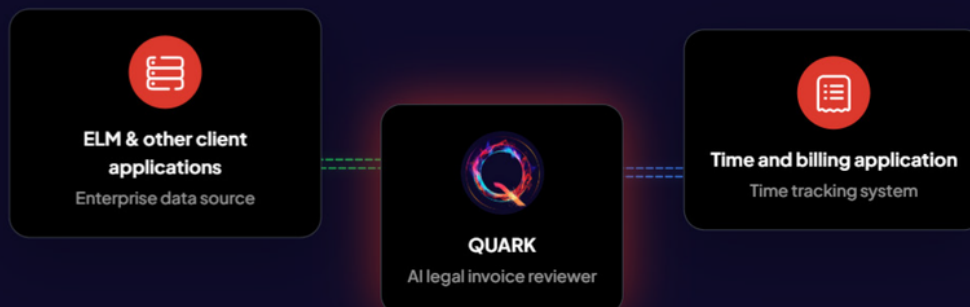

Fixed Unit-Based Pricing

Predictable, scalable pricing designed for enterprise environments.
