

Legal Bill Review

Reduce Legal Expenditure

Receive electronic bills

Have outside counsel submit their legal bills through e-billing portal, with built-in status updates, e-doc storage and communication.

Automatically review bills

Review legal bills with machine learning for compliance to billing guidelines as the "first layer of defence" against counsel overbilling.

Let our fee auditors finalize

Outsource legal bill review to our in-house team of fee auditors, handling the second layer of review and any dispute resolution.

Access real-time analytics

As legal bills are processed, access powerful drill-down analytics detailing categories of spend, comparing panel firms, and more.

Why choose Legal Solutions Group?

We've saved clients \$1.2B+ in legal spend

LSG, or Legal Solutions Group, has been in business for over 17 years, with multiple billion dollars in legal spend managed from clients spanning 50 different countries.

We focus on insurers, self-insured companies and TPAs, reducing legal spend through identifying line items that are non-compliant to clients' billing guidelines or SLAs.

As a privately held business, our focus is on customer success. What other businesses call customization, we call making sure clients' unique requirements are met.
