

Press Release

LSG opens its new office in Sydney, Australia

Sydney, 7th April, 2016: LSG, the leading software application and business process outsourcing company today announced the opening of a new office in Sydney, Australia. The new office gives LSG a prominent presence in the Australia to better serve its customers as well as grow its activities and business across the Asia-Pac region.

Gary R. Markham, Chief Executive, states "Sydney, along with its strong connections to Singapore and other key locations, is the natural choice for our Asia Pac operations. We are proud to be involved in helping to drive positive change in the insurance and wider financial services markets.

LSG's legal costing, bill audit and enterprise supplier management applications and services solutions means that we can support a growing list of clients globally. Sydney was chosen as the natural choice for our new business hub across the Asia Pac region."

About LSG

LSG is a leading ISO 9001:2015 ISO 27001:2013 software application and business process outsourcing company with a global network of offices in Europe, North America and Asia-Pacific. It specialises in the areas of legal procurement, vendor and litigation management. The company delivers sustainable and demonstrable financial and business benefits for its clients via proprietary applications and support solutions. These solutions enable electronic procure-to-pay engagements to be facilitated in the general insurance, captive, claims, legal, banking, finance, mining, construction and energy industries. LSG serves clients in more than 50 countries.
